

## Mark on the Bus

Beastie Boys

Good Morning, Time to get up and go to work  
I Ride On The Bus Into The City Everyday  
I Sit On My Seat And I Dream Myself Away  
I Dream I'm On An Island With That Foxy Lady Too  
But When I Awaken I Must Be Mistaken I'm On Third Avenue  
Won't You Take Me Away And Take Away Me  
Won't You Take Me Away And Take Away Me
