

## Oh Word?

### Beastie Boys

Yo what the schnitzel we're back  
Shit's getting duller and duller and that's a fact  
I don't care what you heard or care what you seen  
I swear it wasn't me in Bear magazine  
Because I'm not that hairy oh contrary  
I go with the flow though the tempo varies  
So twist the cap and pop the cork  
My name's Adrock made in New York

Oh word?

What the ponytail, I don't eat snail  
I'll steal your keys and then I'll check your mail  
'Cause I'm the creepy crawler that be crawling your walls  
And I'm the shot caller when it comes to shot calls  
And I'll be rockin' parties from block to block  
And block party to party the neighborhoods on lock  
So hide your eyes, wait, I saw you looking  
The name's MCA made in downtown Brooklyn

Oh word?

Yo what the parsley, parsley to the teeth  
I'm a rhyme style writer you're a rhyme style thief  
I may be paranoid you tried to fade me  
Here's a song for you "Lady"  
Make you bug out like you don't know what to do  
Your momma says "shame on you"  
When you're dancing with your crew  
So get that poor chicken up off your fork  
My name's Mike D made in New York

Oh word?

Yo what the talafel you gotta get up awful  
Early to fool Mr. Furley  
And that's word to Aunt Shirley and you could  
Stick your head in the toilet give yourself a swirley  
Listen up biters go please stop  
While I'm politician' at Murray's Cheese Shop  
Believe what you heard when you talk  
My name is Adrock made in New York

Oh word?

What the phone booth word to hair moose  
You're on the corner and you're selling a hog's tooth  
Don't mean to dis but I've got to point out  
The hogs tooth belong inside the hog's mouth  
Like Ernest Shackleton said to Ord Lees  
I'll have dog pemmican with my tea  
Now pass the wok 'cause I'm cookin'  
The names MCA made in Downtown Brooklyn

Oh word?

Yo, what the doofus, say good night  
You're Snidely Whiplash I'm Dudley Do-you-right

Times are off the hinges leave your 2 way at the door  
We're all up the creek a long way from shore  
Not walking around looking to get you cake  
The D is for Diamonds not for Drakes  
This not a fantasy and I'm not Mr. O'Rourke  
The name's Mike D made in New York

Oh word?
