

B.a.d

BEAT CRUSADERS

I should find
Want you bad
Love is only
Sleeping all the day

So I should find
I want you back
I've been lonely
Single all the way

Come on and break away!
Come on and say yeah, he-he-hey!

say yeah, he-he-hey!

Baby, let me dance on the ceiling
Let me take your eyes on my feeling, baby
