

Everybody Hates My Guitar Sound

BEAT CRUSADERS

Everybody hates my guitar sound
Don't know why they hate my guitar sound
Everybody hates my guitar sound
Wonder why they hate my guitar sound

But i know
That i'm doing for you
Everything is for you
There's no reason to change my world
And sell my soul
And i'm doing for you
Everything is for you
There's no reason to change my world
And sell my soul

I'm gonna let it be
I'm gonna let it be
I'm gonna let it be myself and i

Wanna let you see
Wanna let you see
Wanna let you listen to my solo

"so long, so long!"
So long
