

# I Wanna Go To The Disko

BEAT CRUSADERS

I wanna go to the disko  
Want you have fun  
I wanna go to the disko  
It's alright with me  
Wow

I wanna go to the disko  
Want you have fun  
Why not trust in me? oh girl!  
It's alright with me  
Wow

Let me dance in a moment  
There is something left to blind you  
Let me trance in a moment  
There is something left to blind you  
(wait for another calls)

Wait for the sun  
Alone in a dawn  
(all night long)  
Wait for the sun  
Alone in a dawn  
(all night long)  
Wow
