

# Bury The Hammer

## Beat Happening

When they're gone and the heart is pumping cold  
Another burnt offering in worship of the toll  
Paid at way stations long a lonesome road  
Kick the stirrup and ride an empty soul

Kiss and forget is how it began  
Peaches then photos, love letter in the sand

Empty buildings in an empty town  
Knock the hollow life and make a hollow sound  
A promise of a holiday and you can't travel  
Scrapped and clawing, knocked out of the saddle

Forgive and forget  
It's time to make amends

Bury the hammer (8x)

Forgive and forget  
Its time to make amends  
You smile that it's okay  
You turn and walk away

How many times can you start again?  
For the pleasure of light and kisses on the wind  
When you love another one, but you can't have em  
Bleak sunshine makes you sadden

Bury the hammer (7x)

Forgive and forget  
It's time to make amends

There is no one (5x)

Bury the hammer (9x)
