

Crashing Through

Beat Happening

Back burner is on fire
Freeze, dry clean, then retire
Yeah yeah, that cockroach' overdue
Yeah yeah, gotta get a new haircut too
Yeah yeah, who says dreams don't come true
Whoa whoa, got a new thing crashing through

Set work top over tower
drop don't go sour
Yeah yeah, (back seat stab overjewel??)
Yeah yeah, heard 'bout that on the news
Yeah yeah, can't stop that lopsy do
Whoa whoa, got a new thing crashing through

Push cart, that won't go
Catch ball, then overthrow
Yeah yeah, that's old school
Yeah yeah, that's overdue
Yeah yeah, skip that too
Whoa whoa, got a new thing crashing through
Whoa whoa, got a new thing crashing through
Whoa whoa, got a new thing crashing through
Got a new thing crashing through
