Mr. fish is having a party down at the sea with really loud music and the food is free down, down at the sea so let's put on some sun tan lotion and drive your car out to the ocean, to the ocean, to the ocean

Where we can play all day down at the sea and we won't care if there's anyone there down, down at the sea i've got the beach ball and you've got the song everybody's gonna sing along, gonna sing along g

Put the radio under a palm tree down at the sea it's a swinging place for you and me down, down at the sea dance, dance, swish, swish i dance with the clams and you dance with the fish, you dance with the fish, you dance with the fish

When the sun comes down we'll go to sleep down at the sea mrs. lobster's gonna tuck us in down, down at the sea and we'll dream about the waves out there coming in and washing us away, washing us away, washing us away
