

# Godsend

## Beat Happening

It's just the things you do  
you make it true  
it's just the things you do  
you make it true

you wanna run and play  
you make a sunny day  
you wanna run and play  
you make a sunny day  
you wanna have a look  
you open every book  
you wanna have a look  
you open every book

it's just the things you do  
you make it true  
you're a godsend  
it's just the things you do  
you make it true  
you're a godsend

you stay up every night  
awash in candlelight  
you stay up every night  
awash in candlelight  
it's just the things you do  
you make it true  
it's just the things you do  
you make it true  
you're a godsend  
you're a godsend  
you're a godsend  
you're a godsend  
(godsend)

see a man on the street  
you wash his tired feet  
see a man on the street  
you wash his tired feet  
it's just the things you do  
you make it true  
see a man on the street  
you wash his tired feet  
see a man on the street  
you wash his tired feet  
see a man on the street  
you wash his tired feet  
you're a godsend  
godsend (godsend)  
(godsend)  
(godsend)

it's just the things you do  
you make it true  
you're a godsend  
it's just the things you do  
you make it true

you're a godsend  
you're a godsend  
you're a godsend

it's just the things you do  
you make it true  
it's just the things you do  
you make it true  
you're a godsend.
