Our Secret

Beat Happening

I was walking in our town I was walking through the store I saw a pretty girl She held open the door I said 'I like you' She said that she liked me And we could be friends In our special stupid way

I went to pacific cafe There she was again So I said 'hey We should go swimming in capital lake' We had a lot of fun but then it got real late So I walked her home And had dinner with her family

That's why we're running away That's why I had dinner with her family

We went to her friend's house To have a cup of tea She said that it was true She was in love with me I knew right then we'd have to be alone 'Cause no one in this whole world could ever understand

That's why we're running away That's why we're running away That's why I had dinner with her family
