

## Pajama Party In A Haunted Hive

Beat Happening

Yellow jacket buzz let's honey do  
I'll lie down on top of you  
Gonna split this womb in two  
Haunted hive I'm comin' through

Sting me queen me  
Queen sting dream me  
Dream queen sting me  
Sting queen

What's that growin' in my head  
Worker bees, work her bed  
I'm driving nails into your mattress head  
I'm driving and I'm pumping red

Sting me queen me

Queen sting dream me  
Dream queen sting me  
Sting queen

Leave(?) some honey  
Drippy runny  
On your tummy  
Rich and yummy

Bee hive in a haunted house  
Laying eggs inside my mouth  
Gimme something to wash it out  
Pour that honey down my throat

Sting me queen me  
Queen sting dream me  
Dream queen sting me  
Sting queen
