

Sea Hunt

Beat Happening

Gather together pale
Follow the setting sail
Climbing the dunes and shells

Can you heart the shining sea next to me?
From sea to shining shore next to me
Forever more

Coral breathing tiger
Seaweed in a spiral
Starfish titled spider

Can you heart the shining sea next to me?
From sea to shining shore next to me
Forever more

Hunting in single file
Coral breathing tiger
Spiral seawood pyre
Running next to me
Forever more

Gather together pale
Led by forgotten trail
Climbing the dunes and shells

Can you heart the shining sea next to me
From sea to shining shore next to me
Forever more

Chrome laps on for miles
Seaweed in a spiral
Starfish caught real spider running next to me
Forever more
Next to me
