

T.v. Girl

Beat Happening

T.V. girl -- at home doing homework.
You go and smash your car,
You got a friendly boyfriend.
You want a candy bar...

T.V. girl, T.V. girl,
T.V. girl, T.V. girl.

T.V. girl -- talking on the phone.
Writing letters to the moon,
Too many asking questions.
They're all crowded in your room...

T.V. girl, T.V. girl,
T.V. girl, T.V. girl.

Girl on my T.V. screen,
Sweatshirt and torn jeans.
I want to reach and touch your jeans,
But the glass disturbs my dream.

T.V. girl, the bottom of the ocean.
Rocket to the moon...
You want to lose your boyfriend,
You want to do it soon.

T.V. girl, T.V. girl, T.V. girl.
Tie your head in knots,
Go bottom of the sea.
Rock it to the tune,
You ought to do it soon.

T.V Girl..
