

# Across the Universe

The Beatles

1. Words are flying out like endless  
rain into a paper cup  
they slither while they pass they slip  
away across the universe.

\*: Pools of sorrow waves of joy  
are drifting through my open mind  
possessing and caressing me.

R: Jai guru dev a om,  
/: nothing's gonna change my world  
nothing's gonna change my world. :/

2. Images of broken light  
which dance before me like a million eyes  
that call me on and on  
across the universe.

3. Thoughts meander like a restless  
wind inside a letter box  
they tumble blindly as they make  
their way across the universe.

R: Jai guru dev a om...

\*: Sounds of laughter shades on earth  
are ringing through my open views  
inciting and inviting me.

4. Limitless undying love  
which shines around me like a million eyes  
it calls me on and on  
across the universe.

jai guru dev a jai guru dev a jai guru dev a...
