

Falling In Love Again (Can't Help It)

The Beatles

Falling in love again
I never wanted to
What am I to do
I can't help it
Love has always been my game
Play it how I may
I was made that way
Can't help it

Men cluster to me like moths around a flame
And if their wings burn
I know I'm not to blame
Falling in love again
I never wanted to
What am I to do
I can't help it

Men cluster to me like moths around a flame
And if their wings burn
I know I'm not to blame
Falling in love again
I never wanted to
What am I to do
I can't help it
