

## Fixing a Hole

The Beatles

1. I'm fixing a hole where the rain gets in  
and stop my mind from wandering  
where it will go.
2. I'm filling the cracks that ran through the door  
and kept my mind from wandering  
where it will go.
- R: And it really doesn't matter if  
I'm wrong I'm right  
where I belong I'm right  
where I belong.
3. See the people standing there who disagree and never win  
and wonder why they don't get in my door.
4. I'm painting my room in the colourful way  
and when my mind is wandering  
there I will go.
- R: And it really doesn't matter if...
5. Silly people run around they worry me  
and never ask me why they don't get past my door.
6. I'm taking the time for a number of things  
that weren't important yesterday  
and I still go.
7. I'm fixing a hole where the rain gets in  
and stops my mind from wandering  
where it will go.
