

Have a Banana!

The Beatles

Brian Matthew: Is that it? Is that the end?

Paul: Yeah, yeah, that's it.

John: Fade, fade!

Brian: Good track. Oh, well, we'll stop there, stop there, stop there.

John: What an end!

Brian: Quiet! All right, George.

John: Fade!

Brian: Hold it!

George: Oh, thank you.

John: Fade, you silly.

Brian: Well, we did. We did that. Oh, no! No! We've done that b it!

John: The train comes in now.

Brian: We did that.

John: Yeah.

Brian: To prove we weren't playing the record, then, you see. 'Cause, otherwise, there's no point in you being here, is there? Ha, ha, ha!

John: Yeah, we did that, 'cause it sounds just like it, don't it?

Brian: Pretty cool lot of fellows, aren't you? Here, Ringo, have a banana, catch!
