I Forgot To Remember To Forget

The Beatles

I forgot to remember to forget her, I can't seem to get her off my mind. I thought I'd never miss her, but I've found out somehow I think about her almost all the time.

Well the day she went away I made myself I promise that I'd soon forget we'd ever met. But something sure is wrong 'cos I'm so blue and lonely: I forgot to remember to forget.
