

I'm Happy Just to Dance With You

The Beatles

R: Before this dance is through
I think I'll love you too
I'm so happy when you dance with me.

1. I do want to kiss or hold your hand
if it's funny try and understand
there is really nothing else I'd rather do
cause I'm happy just to dance with you.
2. I don't need to hug or hold you tight
I just wanna dance with you all night
in this world there's nothing I would rather do
cause I'm happy just to dance with you.

*: Just to dance with you
is everything I need

R: Before this dance is through...

3. If somebody tries to take my place
let's pretend we just can't see his face
in this world there's nothing I would rather do
cause I'm happy just to dance with you.

*: Just to dance with you...

R: Before this dance is through...

4. If somebody tries to take my place
let's pretend we just can't see his face
in this world there's nothing I would rather do
I've discovered I'm in love with you
cause I'm happy just to dance with you oh oh oh.
