

# I Will

The Beatles

Who knows how long I've loved you  
you know I love you still  
will I wait a lonely lifetime  
if you want me to I will.

For if I ever saw you  
I didn't catch your name  
but it never really mattered  
I will always feel the same.

Love you forever and forever  
love you with all my heart  
love you whenever we're together  
love you when we're apart.

And when at last I find you  
your song will fill the air  
sing it loud so I can hear you  
make it easy to be near you  
for the things you do endear you to me  
you know I will, I will.
