

I Will

The Beatles

Who knows how long I've loved you
you know I love you still
will I wait a lonely lifetime
if you want me to I will.

For if I ever saw you
I didn't catch your name
but it never really mattered
I will always feel the same.

Love you forever and forever
love you with all my heart
love you whenever we're together
love you when we're apart.

And when at last I find you
your song will fill the air
sing it loud so I can hear you
make it easy to be near you
for the things you do endear you to me
you know I will, I will.
