

It's Only Love

The Beatles

1. I get high when I see you go by my oh my
when you sigh my my inside just flies butterflies
why am I so shy when I'm beside you?

R: It's only love and that is all
why should I feel the way I do
it's only love and that is all
but it's so hard loving you.

2. Is it right that you and I should fight ev'ry night
just the sight of you makes night-time bright very bright
haven't I the right to make it up girl?

R: It's only love and that is all...
+ yes it's so hard loving you, loving you ...
