

It Won't Be Long

The Beatles

R: It won't be long yeah yeah yeah
it won't be long yeah yeah yeah
it won't be long yeah
till I belong to you.

1. Every night when everybody has fun
here am I sitting all on my own.

R: It won't be long...

*: Since you left me I'm so alone
now you're coming you're coming on home
I'll be good like I know I should
you're coming home you're coming home.

2. Every night the tears come down from my eyes
every day I've done nothing but cry.

R: It won't be long...

*: Since you left me I'm so alone...

3. Every day we'll be happy I know
now I know that you won't leave me no more.

R: It won't be long...
