

# Old Brown Shoe

The Beatles

1. I want a love that's right,  
but right is only half of what's wrong  
I want a short-haired girl  
who sometimes wears it twice as long  
Now I'm stepping out this old brown shoe  
Baby I'm in love with you  
I'm so glad you came here,  
it won't be the same now I'm telling you

2. You know, you pick me up  
from where some tried to drag me down  
And when I see your smile  
replacing every thoughtless frown  
So escaping from this zoo  
Baby I'm in love with you  
I'm so glad you came here  
It won't be the same now when I'm with you

R: If I grow up I'll be a singer  
Wearing rings on ev'ry finger  
Not worrying what they or you'll say  
I'll live and love and maybe someday  
Who knows baby you may comfort me...

R: I may appear to be imperfect  
My love is something you can't reject  
I'm changing faster than the weather  
If you and me should get together  
Who knows baby you may comfort me...

3. I know my love is yours to miss  
that love is something I'd hate  
I'll make an early start  
I'm making sure that I'm not late  
For sweet top lip I'm in the queue  
Baby I'm in love with you  
/: I'm so glad you came here,  
it won't be the same now when I'm with you! :/
