

# Only A Northern Song

The Beatles

1. If you're listening to this song  
you may think the chords are going wrong  
but they're not he just wrote it like that.
2. When you're listening late at night  
you may think the bands are not quite right  
but they are they just play it like that.
3. It doesn't really matter what chords I play  
what chords I say or time of day it is  
as it's only a northern song.
4. It doesn't really matter what clothes I wear  
or how I fare or if my hair is brown  
when it's only a northern song.
5. If you think the harmony  
is a little dark and out of key  
you're correct there's nobody there.  
And I told you there's no one there.
