

Real Love

The Beatles

1. All my little plans and schemes
Lost like some forgotten dreams
Seems that all I really was doing
Was waiting for you

2. Just like little girls and boys
Playing with their little toys
Seems like all we really would do
Was waiting for love

E Am(maj7)
*: Only need to be alone
Who need to be alone?

R: It's real love, It's real
Yes, it's real love, It's real

3. Once upon a time I'd know
Exactly where my life would go
Seems like all I really was doing
Was waiting for love

*: Only to be afraid
Who to be afraid?

R: It's real love, It's real...

4. All I did I loved before
But in my heart I wanted more
Seems like all I really was doing
Was waiting for you

*: Only need to be alone...

R: It's real love, It's real...
