

Shimmy Like Kate

The Beatles

Do the, do the, do the, do the shimmy, shimmy,
Do the, do the, do the, do the shimmy, shimmy,
Do the, do the, do the, do the shimmy, shimmy,
Shimmy, yeah, just a one more time.

Everybody in the neighbourhood now
Knows I can shimmy, shimmy good now,
Shimmy, shimmy all night long,
I can do it, yeah, just like my sister kate now.

Shimmy, shimmy all night long now,
Shimmy, shimmy the whole day through now,
Shimmy, shimmy the whole night too,
I can shimmy, yeah, whoa! Come on! Whoa!

Shitty!

Yea, just a one more time now, come on!
Shimmy, shimmy, early in the mornin' now,
SHimmy, shimmy the whole day through now,
Shimmy, shimmy, all night long
Shimmy, yeah, I said, come on, come on, come on!

Everybody in the neighbourhood now
Knows I can shimmy, shimmy good now,
Shimmy, shimmy all night through,
I can do it, yeah, just like my sister kate now.

Yeah!

Shimmy, yeah, just a one more time now, come on!

Shimmy, shimmy, early in the mornin' now,
SHimmy, shimmy the whole day through now,
Shimmy, shimmy, all night long
Shimmy, yeah, she's my one desire.

Do the, do the, do the, do the shimmy, shimmy,
Do the, do the, do the, do the shimmy, shimmy,
Do the, do the, do the, do the shimmy, shimmy,
Shimmy!
