The Honeymoon Song

The Beatles

I never knew that a day like today lay before us.
I've got the sun in my heart and my heart's in the sun.
Skies are as bright as your eyes, the horizon is open.
Love is the ceiling, feelings are reelings free as the air.

Forever on and forever, forever on side by side. who ever knew that we two could be free as we'd fancy, fancy is free but are we bound to each other by love, to each other by love?

Who ever knew that we two could be free as we'd fancy, fancy is free but are we bound to each other by love, to each other by love, to each other by love, to each other by love,
