

The Night Before

The Beatles

1. We said our goodbyes ah the night before
love was in your eyes ah the night before.
Now today I find
you have changed your mind
treat me like you did the night before.

2. Were you telling lies ah the night before
was I so unwise ah the night before.
When I held you near
you were so sincere
treat me like you did the night before.

R: Last night is the night I will remember you by
when I think of things we did it makes me wanna cry.

3. We said our goodbyes ah the night before
love was in your eyes ah the night before.
Now today I find
you have changed your mind
treat me like you did the night before.

*: When I held you near
you were so sincere
treat me like you did the night before.

R: Last night is the night I will remember you by
when I think of things we did it makes me wanna cry.

4. Were you telling lies ah the night before
was I so unwise ah the night before.
When I held you near
you were so sincere
treat me like you did the night before
like the night before.
