The Night Before

The Beatles

- We said our goodbyes ah the night before love was in your eyes ah the night before. Now today I find you have changed your mind treat me like you did the night before.
- Were you telling lies ah the night before was I so unwise ah the night before. When I held you near you were so sincere treat me like you did the night before.
- R: Last night is the night I will remember you by when I think of things we did it makes me wanna cry.
- 3. We said our goodbyes ah the night before love was in your eyes ah the night before. Now today I find you have changed your mind treat me like you did the night before.
- *: When I held you near you were so sincere treat me like you did the night before.
- R: Last night is the night I will remember you by when I think of things we did it makes me wanna cry.
- 4. Were you telling lies ah the night before was I so unwise ah the night before.

 When I held you near you were so sincere treat me like you did the night before like the night before.
