

Think For Yourself

The Beatles

1. I've got a word or two
to say about the things that you do
you're telling all those lies
about the good things that we can have
if we close our eyes.

R: Do what you want to do
and go where you're going to
think for yourself cause I won't be there with you.

2. I left you far behind
the ruins of the life that you had in mind
and though you still can't see
I know your mind's made up you're gonna
cause more misery.

R: Do what you want to do...

3. Although your mind's opaque
try thinking more if just for your own sake
the future still looks good
and you've got time to rectify all the things
that you should.

R: Do what you want to do...

Do what you want to do
and go where you're going to
think for yourself cause I won't be there with you
think for yourself cause I won't be there with you.
