Think For Yourself

The Beatles

- I've got a word or two
 to say about the things that you do
 you're telling all those lies
 about the good things that we can have
 if we close our eyes.
- R: Do what you want to do and go where you're going to think for yourself cause I won't be there with you.
- 2. I left you far behind the ruins of the life that you had in mind and though you still can't see I know your mind's made up you're gonna cause more misery.
- R: Do what you want to do...
- 3. Although your mind's opaque try thinking more if just for your own sake the future still looks good and you've got time to rectify all the things that you should.
- R: Do what you want to do...

Do what you want to do and go where you're going to think for yourself cause I won't be there with you think for yourself cause I won't be there with you.
