## **God Knows**

## Beatsteaks

My friend it feels right it's got me and it's ringing bright so clear it's more fun lights on don't you get me wrong so neat a nd clean I want to slip into a bigger dream I saw a cat so real no word can describe the way I feel look up it's still me fuck ed up how i wanted to be so real alright I'm gonna dance with a broken back a role model and a bad disease call me if you need it and i tell you how it feels no doubt it's still weird It's clear leave it up to you my dear God knows what we're doing her e.
