

Hand In Hand

Beatsteaks

She follows me down to where I go
She comes in a cloud but she don't know
She walks in a haze do we get up
Before it ever gets too late

Hand in hand we walk on down
The alley and our common ground
We walk in a haze
Do we pass out
Before we ever know it's on

She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
And I feel better with my hands tied

She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
And I feel better with my hands tied

She follows me down to where I go
Not pulling a chain not feeling low
Don't wake me up I can't relate
To any other song today

Hand in hand we walk along
The alley and our common ground
I walk in a haze why should I care
I'm waiting out the days go anywhere

She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
And I feel better with my hands tied

She ain't never gonna get wise
She ain't never gonna get wise
She ain't never gonna get wise
And I feel better with my hands tied
