

Happy Now?

Beatsteaks

I'll take care of you I'm your one and all we belong together baby whenever I call grab my fingers grab my hand grab everything you can cause I'm the best friend you ever had are you happy now c'mon play that game and bring me down are you happy now I know you and I'm not your clown I don't know what you're talking about but I know what's good for you hey now I'll give you everything and tomorrow you'll get the rest.
