

I Got You

Bebe Rexha

I can see you hurting,
I've been through the same thing.
Baby, don't you worry,
I got you.
I just wanna know you,
Tell me all your secrets.
Lookin' like you need it.

'cause I got you, you,
you, I got you, I got you.
'cause I got you, you
you, I got you, I got you.

We can get high, oh na na na.
We can get low, oh na na na.
Let me be your friend, baby, let me in.
Tell you no lies, oh na na na.
We can get lost, oh na na na
Take it all off, oh na na na.
Let me be your friend, baby, let me in.
Give it to me all, oh na na na.

Tell me what you're thinking
Always overthinking.
I just wanna love you,
I got you.
Don't have to be so guarded,
Let's finish what we started.
It's all I ever wanted.

'cause I got you, you,
you, I got you, I got you.

We can get high, oh na na na.
We can get low, oh na na na.
Let me be your friend, baby, let me in.
Tell you no lies, oh na na na.
We can get lost, oh na na na
Take it all off, oh na na na.
Let me be your friend, baby, let me in.
Give it to me all, oh na na na.

'cause I got you, you,
you, I got you, I got you.

I'd do the time for you,
tell a lie for you.
Yeah, baby, that's what I do.
I'll walk the line for you,
take a shot for you.
Yeah, baby, that's what I do.

'cause I got you.
It's true.
I'd die for you,
I'd die for you.
I got you.

We can get high, oh na na na.
We can get low, oh na na na.
Let me be your friend, baby, let me in.
Tell you no lies, oh na na na.
We can get lost, oh na na na
Take it all off, oh na na na.
Let me be your friend, baby, let me in.
Give it to me all, oh na na na.

'cause I got you, you,
you, I got you, I got you.
I got you, you,
you, I got you, I got you.
I got.
