

# I'm Gonna Show You Crazy

Bebe Rexha

There's a war inside my head  
Sometimes I wish that I was dead, I'm broken  
So I call this therapist  
And she said, "Girl, you can't be fixed, just take this."

I'm tired of trying to be normal  
I'm always over-thinking  
I'm driving myself crazy  
So what if I'm fucking crazy?

And I don't need your quick fix  
I don't want your prescriptions  
Just 'cause you say I'm crazy  
So what if I'm fucking crazy?  
Yeah, I'm gonna show you

Loco, maniac, sick bitch, psychopath,  
Yeah, I'm gonna show you  
I'm gonna show you,  
Yeah, I'm gonna show you  
Mental out my brain, bad shit go insane,  
Yeah, I'm gonna show you  
I'm gonna show you  
Yeah, I'm gonna show you

I've been searching city streets  
Trying to find the missing piece like you said  
And I searched hard only to find,  
There's not a single thing that's wrong with my mind

Yeah, I'm tired of tryna be normal  
I'm always over-thinking  
Driving myself crazy  
So what if I'm fucking crazy?

And I don't need your quick fix  
I don't want your prescriptions  
Just 'cause you say I'm crazy  
So what if I'm fucking crazy?

I'm gonna show you

Loco, maniac, sick bitch, psychopath,  
Yeah, I'm gonna show you  
I'm gonna show you,  
Yeah, I'm gonna show you  
Mental out my brain, bad shit go insane,  
Yeah, I'm gonna show you  
I'm gonna show you  
I'm gonna show you

Crazy, crazy, yeah I'm gonna show you...  
Crazy, crazy, yeah I'm gonna show you...  
Crazy, crazy...  
Yeah!

Tired of tryna be normal

I'm driving myself crazy

And I don't need your quick fix  
I don't want your prescriptions  
Just 'cause you say I'm crazy  
So what if I'm fucking crazy?!

Yeah, I'm gonna show you

Loco, maniac, sick bitch, psychopath,  
Yeah, I'm gonna show you  
I'm gonna show you,  
Yeah, I'm gonna show you  
Mental out my brain, bad shit go insane,  
Yeah, I'm gonna show you  
I'm gonna show you  
Yeah, I'm gonna show you
