

# Knees

Bebe Rexha

Sittin' in my car  
We don't even fight no more  
We don't even touch no more  
Used to be my best friend  
We don't even laugh no more  
Barely even talk no more

You wanna hold my hand then you won't  
You say you love me then you don't  
You keeping me running and running around

If I'm not all you need  
Then just set me free  
I'm down on my knees  
If you're not the one for me  
Then just let me be  
I'm begging you please

I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just let me free  
I'm down on my knees tonight

We used to go out on dates  
Now you don't wanna go no place  
It feels like we're stuck in one I wish I could read your mind  
You said I gotta read your eyes  
Oh, why they tell me lies

You wanna hold my hand then you won't  
You say you love me then you don't  
You keeping me running and running around

If I'm not all you need  
Then just set me free  
I'm down on my knees  
If you're not the one for me  
Then just let me be  
I'm begging you please

I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just let me free  
I'm down on my knees tonight

Se-se-set me free, le-le-let me be  
I'm down on my knees (I'm down on my knees)  
Se-se-set me free, le-le-let me be  
I'm down on my knees

If I'm not all you need  
Then just set me free  
I'm down on my knees

If you're not the one for me  
Then just let me be  
I'm begging you please

I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just let me free  
I'm down on my knees tonight
