

Monster Under My Bed

Bebe Rexha

When the darkness got my lights
A little spark begun to shine
Woke up and I realized
Imperfection is divine

In this creepy heart of mine
Let's keep going on the line
I know we will be just fine
And I believe I...

I'm friends with the monster that's under my bed
Get along with the voices inside of my head
You're trying to save me, stop holdin' your breath
And you think I'm crazy, yeah, you think I'm crazy
Well that's not fair! (oh oh...)
Well that's not fair! (oh oh...)

In a world so black and white
I'm blazing up my mind
Woke up and I realized
Imperfection is divine

In this creepy heart of mine
Let's keep going on the line
I know we will be just fine
And I believe I...

I'm friends with the monster that's under my bed
Get along with the voices inside of my head
You're trying to save me, stop holdin' your breath
And you think I'm crazy, yeah, you think I'm crazy

Well that's not fair! (oh oh...)
Well that's not fair! (oh oh...)

I'm friends with the monster that's under my bed
Get along with the voices inside of my head
You're trying to save me, stop holdin' your breath
And you think I'm crazy, yeah, you think I'm crazy

Well that's not fair! (oh oh...)
Well that's not fair! (oh oh...)
