

# Self Control

Bebe Rexha

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you I can't say no  
I don't wanna taste, I want it all

When I get your call  
I'm out the door, not a minute more  
Like an animal  
I lose control, it's illogical  
Oh, oh

One little kiss can turn into a thousand  
One little touch and I'm gone

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you I can't say no  
I don't wanna taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you I can't say no  
I don't wanna taste, I want it all

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na

I'm so predictable  
Fall every time, ain't it pitiful  
And it's not enough  
I tried to quit  
But I'm not giving up

One little kiss can turn into a thousand  
One little touch and I'm gone

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you I can't say no  
I don't wanna taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you I can't say no  
I don't wanna taste, I want it all

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na

And the hungry grows  
I'm craving you and my body knows

'Cause it wakes me up  
Heart through my chest, it's gotta be love

One little kiss can turn into a thousand  
One little touch and I'm gone

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you I can't say no  
I don't wanna taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you I can't say no  
I don't wanna taste, I want it all

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na
