

Stay

Bebe Winans

Once again your eyes make it hard to say goodbye
So I'll just keep driving
Where you wanna go? It doesn't really matter
As long as you are here with me

There's something in the air tonight
Something that makes me feel alive
And I said what were the words that you said to me?
That made me feel so special now

Once again your eyes make it hard to ask you why
So I sit here, knuckles tied
Hands against the wheel, your head against the glass
And you mean so much to me

There's something in the air tonight
Something that makes me feel alive
And I said what were the words that you said to me?
That made me feel so special

Stay with me
Cigarettes in open air, hand in hand
And I said stay with me
'Cause every star that I see, is better than the last

So stay with me
