Bebel Gilberto

You know, you must take a look at the new land The swimming pool and the teeth of your friend The dirt in my hand You know, you must take a look at me Baby, baby I know that's the way You know, you must try the new ice cream flavor Do me a favor, look at me closer Join us and go far And hear the new sound of my bossa nova Baby, baby It's been a long time You know, it's time now to learn Portuguese It's time now to learn what I know And what I don't know And what I don't know And what I don't know I know, with me everything is fine It's time now to make up your mind We live in the biggest city of South America Of South America Of South America Look here, read what I wrote on my shirt Baby, baby I love you You do
