

Every Day You've Been Away

Bebel Gilberto

(Written by Pedro Baby, Daniel Jobim)
So you've been gone
And I am alone
I miss you so
I miss you
And if you knew what I've been through
I love you so
I love you
Every moment
Every night away (from you)
Every day you've been away
Every day you've been away from me
So you've been gone
And I am alone
I love you so
I love you
And if you knew what I've been through
I miss you so
I miss you
Every moment
Every night away (from you)
Every day you've been away
Every day you've been away from me
From me...
