

Bring Me To Life

Bebo Norman

I am a barren land
And it's all I can do to stand
I am thirsty, I am thirsty

Father, reach out Your hand
I have given all that I can
Still I'm sinking, I'm still sinking

I want to run into the deep
And let the deep call out to me
I want to lose myself in Your love

So let it rain down over me
As I fall down to my knees
Let the ocean rise to meet me
I need You to bring me to life

Well of eternal things
Endless is all the life You bring
Be the water that I long for

And show me Your Kingdom Come
Father and let Your will be done
Here in me as it is in Heaven
