

# Holy Is Your Name

Bebo Norman

Now I praise You, Lord of all creation  
You ordain the sun to rise and fall  
You scatter the stars across the heavens  
And You come close enough to hear me call

Now I want to say  
Holy is Your name  
Let all creation proclaim  
Holy is Your name

Your love is the shelter over my soul  
And You fill me with the wonder of a child  
You will heal the humble and the broken  
Mercy flows like a river running wild

Now I want to say  
Holy is Your name  
Let all creation proclaim  
Holy is Your name  
Holy is Your name

On the highest mountain  
I will lift my heart to the sky  
From the lowest valley  
Hear my cry

Now I want to say  
Holy is Your name  
Let all creation proclaim  
Holy is Your name  
Holy is Your name  
Holy is Your name

Now I want to say  
(On the highest mountain)  
Holy is Your name

(I will lift my heart to the sky)  
Let all creation proclaim  
(From the lowest valley)  
Holy is Your name

Holy is Your name  
Holy is Your name  
Holy is Your name
