

Alone

Becca

I hear the ticking of the clock
I'm lying here, the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though
Alone

Til now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

You don't know how long I have wanted to touch your lips and hold you tight
You don't know how long I have waited and I was going to tell you tonight
But the secret is still my own and my love for you is still unknown
Alone

Til now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

How do I get you alone
How do I get you alone
Alone
Alone
