

Crazy

Becca

Du du du...

Jump in
It's fine without a lifeboat
I will give it another try
You say "Come back, don't go in too deep"
But it's a rush to see me do it
Cuz you don't dare
Even though there's nothing to it and

This town's always gonna always think I'm a little crazy
Someone's always gonna try and label me insane
Funny how I'm always seem to be the one who's crazy
I just wanna live
I don't wanna fit
If that makes me crazy
Then I am

No way
I feel like nothing's going my way
But my future's bright
don't have a single dollar left
Got my keys
Got my car
And the highway is open wide
You ask me where
I can tell you
But I'm putting down the pedal tonight

This town's always gonna always think I'm a little crazy
Someone's always gonna try and label me insane
Funny how I'm always seem to be the one who's crazy
I just wanna live
I don't wanna fit
If that makes me crazy
Then I am

You say, "Don't change"
I say nothing
But your list is longer than my day
I can't help wondering
When all he said
And now he's dead
And all the crazy
Whoaoh...ah...

Du du du...

I just wanna live
I don't wanna fit
I just wanna try
I don't wanna quit
If that makes me crazy
Then I am

This town's always gonna always think I'm a little crazy
Someone's always gonna try and label me insane

Funny how I'm the one who's crazy
