

I Drove All Night

Becca

I had to escape
the city was sticky and cruel
maybe I should have called you first
but I was dying to get to you
I was dreaming while I drove
the long straight road ahead
to taste your sweet kisses
your arms open wide
this fever for you is just
burning me up inside

I drove all night to get to you
is that alright
I drove all night crept in your room
woke you from your sleep
to make love to you
is that alright - I drove all night

What in this world
keeps us from tearing apart
no matter where I go I hear
the beating of your heart
I think about you
when the night is cold and dark
no one can move me the way that you do
nothing erases this feeling between me and you

I drove all night to get to you
is that alright
I drove all night crept in your room
woke you from your sleep
to make love to you
is that alright - I drove all night

To taste your sweet kisses
your arms open wide
this fever for you is just
burning me up inside

I drove all night to get to you
is that alright
I drove all night crept in your room
woke you from your sleep
to make love to you
I drove all night

To taste your sweet kisses
your arms open wide
this fever for you is just
burning me up inside
I drove all night
