

Shibuya

Becca

City lights, blurring out the night
Never sleep, we are lost in time
It's a scene, no one can disagree
Dressing up not using words,
this is how our voice gets heard

Everytime I hit the street
I am caught up in the beat
Everyone I meet is Tokyo-oring
And I wanna go
People everywhere will try
To be Tokyo tonight
Leave it all behind it's Tokyo-oring
And I wanna go
Shibuya eto!
See the rain, wash the faces away
Cosplay girls, nothings too insane
Take a bow, we will know what you mean
Neon lights the way for us,
we like living in the rush

Everytime I hit the street
I am caught up in the beat
Everyone I meet is Tokyo-oring
And I wanna go
People everywhere will try
To be Tokyo tonight
Leave it all behind it's Tokyo-oring
And I wanna go
Shibuya eto!

Chikatetsu de shibuya
Watashi wa SO HAPPY!!
Harajuku de tanoshimou
kono machi de
iku toko dokomo suteki Tokyo dreams!

Everytime I hit the street
I am caught up in the beat
Everyone I meet is Tokyo-oring
And I wanna go
People everywhere will try
To be Tokyo tonight
Leave it all behind it's Tokyo-oring
And I wanna go

Everytime I hit the street
I am caught up in the beat
Everyone I meet is Tokyo-oring
And I wanna go
People everywhere will try
To be Tokyo tonight
Leave it all behind it's Tokyo-oring
And I wanna go
Shibuya eto! ...
