

# Hollow Log

Beck

Go where you want to  
Do the things you feel  
Walk around with a broken leg  
And a hundred-dollar bill

Get yourself a pistol  
Get yourself a dog  
Stay up all night getting drunk  
Sleeping on a hollow log

Walk 'til you're restless  
Sleep 'til you're tired  
Wake up without thinking  
You're the one that I desired
